Dear Mr. Ruser,

I am writing to you about an urgent matter.

An alumnus of our school, Saint Meinrad Seminary, St. Meinrad, Indiana has been imprisoned in the Rawson Prison in southern Argentina for about six years.

As alumni director, I am writing at the behest of his wife and family to attempt to secure his release. He was sentenced for only four years for some political purpose that I am not aware of. He is in poor health.

The man's name is Eduardo Federico Llosa and he is a citizen of Argentina.

I am enclosing some background material and a copy of a letter that I have sent to the President of Argentina from the Archabbot of St. Meinrad Archabbey.

We would all deeply appreciate it if you could look into this matter and attempt to exert some influence if at all possible. Eduardo Llosa is a psychiatrist and a former priest. A good man.

May I hear from you one way or another about this matter. I would certainly appreciate it. Please let me know if there are other ways we may help further.

Gratefully,

Paul F. Stabile
Alumni Director

P.S. I have sent an identical copy of this letter and its contents to Ambassador Shlaudeman.
